

# ART AS MUCH AS SCIENCE

We call it art because every product is designed with harmony, beauty, and balance in mind. We call it science because we design & develop cutting edge optics and state-of-the-art electronics to exceed performance requirements. Myotek is a Tier 1 manufacturer and supplier driven by a relentless focus on innovation, creativity, performance & quality. We are committed to be the technology expert in vehicle lamp design to inspire the evolution of more efficient LED lighting solutions.

Our OEM customers are paramount to us and that's why we invest heavily in top notch people, equipment and customer service. We continue to forge relationships that make us a leader in LED lamp design.

If you have a vision, let us shine a light on it.
